

2019 Twilight League Team Registration Form

The Twilight League is perfect for those of you that work all day and don't get a chance to hit the links during the week. Both men *and* women are encouraged to participate in league play. League play is handicapped to allow players of all skill levels to compete on an even playing field. For those of you who don't have handicaps one will be assigned to you during the first two weeks of play.

The league begins May 7th and plays every Tuesday with a 5:30 shotgun start for ten weeks. Each week is a different format and teams accumulate weekly points. Having fun is the objective. The final week is topped off with a tri-tip BBQ when the prize money is given out.

The registration fee is \$40 per team due before May 7th. The weekly fee is \$26 per player which includes green fee, cart and range balls and a \$5 per player prize fund.
